

Two acres inside the city are
found by people who *know*
what that is worth.

MARKETING STRATEGY

806 Willowdale Ct, Oak Hill, Nashville, Tennessee

PREPARED SEPTEMBER 2026

The land finds *the buyer*.

Your home is not advertised everywhere. It is advertised where it matters. What sets 806 Willowdale Ct apart is not a style of architecture but a piece of ground: 1.97 level acres under mature trees, with a pool, a pool house and brick terraces, no homeowners association over any of it, and downtown Nashville seven miles away. That combination has become genuinely scarce inside Davidson County, and the buyer who wants it is specific — a family that needs room, privacy and a short drive to town, and who understands that Oak Hill is where those three things still sit together. The campaign is therefore built in two parts, one inside Tennessee and one beyond it, so each of those buyers is approached on their own terms.

TWO AUDIENCES

One campaign inside Tennessee, one for buyers beyond it.

CHOSEN MARKETS

Six markets chosen for families who move to Nashville for room.

TAILORED CREATIVE

Six advertisements built for this home, in six shapes, for every screen.

REPORTED TO YOU

30

DAYS

Over thirty days your home will be advertised in six markets, inside Tennessee and beyond it. Six advertisements have been built for it, in six shapes, each a slow film of the house, the grounds and the pool, ending on the address and an invitation to arrange a viewing.

ONE FIGURE TO FOLLOW

The plan set out here is settled. The one figure still to come is the number of impressions — the number of times your home is put in front of someone — which is confirmed once the campaign is under way.

IMPRESSIONS

To be confirmed

In Tennessee, and *beyond* it.

806 WILLOWDALE CT · \$2,300,000

The two run side by side, on the same dates, as a single effort. One reaches buyers already living in Tennessee, who know what an Oak Hill address means and how seldom two level acres come up inside it. The other reaches buyers looking toward Nashville from the cities that have been sending families to it. They do not overlap, so the same buyer is not shown your home twice.

	IN TENNESSEE	BEYOND TENNESSEE
WHO IT REACHES	Families already living in Tennessee who want more land without leaving the city	Buyers in the five cities that send the most families to Nashville
WHERE IT RUNS	Tennessee, statewide	New York, Los Angeles, Chicago, Atlanta and Dallas
HOW BUYERS ARE FOUND	By where they are, and by whether they are actively looking for a home	By where they are, and by whether they are looking at homes away from where they live
WHERE IT LEADS	A dedicated page for your home	A dedicated page for your home
HOW OFTEN SHOWN	To be confirmed	To be confirmed

The right buyers live in the *right places*.

The Tennessee campaign covers the whole state, because the buyer most likely to act quickly already lives here: a family in Green Hills, Brentwood or Belle Meade who has been waiting for acreage to come up in Oak Hill, and who knows that Radnor Lake, the interstate and downtown are all minutes away. The second campaign concentrates on the five cities that send the most families to Nashville, and where two level acres with a pool and no association rules would sit an hour outside town — New York, Los Angeles, Chicago, Atlanta and Dallas.

The work, as buyers *will* see it.

Six advertisements, in six shapes, built for the computer, the tablet and the telephone. Each moves slowly across photographs of the house and the grounds over fifteen seconds, then closes on the address and an invitation to arrange a viewing. The price is not shown, as is our practice.

In the order it *will* happen.

Nothing here waits on a decision from you. The advertisements are built and the markets are chosen; what follows is the sequence from here to the report that lands on your desk at the end.
