

Fifteen acres, a barn and a
lake — *shown to the few who
want all three.*

MARKETING STRATEGY

746 Lake Mills Road, Oviedo, Florida

PREPARED SEPTEMBER 2026

Precision over *volume*.

Your home is not advertised everywhere. It is advertised where it matters. Fifteen acres on Lake Mills, with four stalls, four paddocks, a sand arena and a hundred feet of dock, is not bought by whoever happens to be looking for a large house near Orlando. It is bought by someone who keeps horses, or intends to, and who will not give up the water or the half-hour drive into the city to get the land. That is a small group of people, and we know where they live.

TWO AUDIENCES

One campaign inside Florida, one for buyers beyond it.

CHOSEN MARKETS

Six markets, each with a record of sending buyers to Florida horse country.

TAILORED CREATIVE

Six advertisements built for this estate, in six shapes, for every screen.

REPORTED TO YOU

A full account of where your home appeared and how buyers responded.

Thirty days, *two audiences.*

ADVERTISEMENTS

30

DAYS

Over thirty days your home will be advertised in six markets, inside Florida and beyond it. Six advertisements have been built for it, in six shapes, each a slow film of the residence, the barn, the pastures and the lake, ending on the address and an invitation to arrange a viewing.

ONE FIGURE TO FOLLOW

Everything set out in this document is decided. The one figure still to come is the number of impressions — the number of times your home is put in front of someone — which is confirmed once the campaign is under way. We would rather leave it blank here than give you a number we cannot stand behind.

IMPRESSIONS

To be confirmed

In Florida, and *beyond* it.

746 LAKE MILLS ROAD · \$3,500,000

The two run side by side, on the same dates, as a single effort. One reaches buyers already in Florida, including the state's two great horse towns. The other reaches the northern places where people keep horses and winter in Florida. They do not overlap, so the same buyer is not shown your home twice.

	IN FLORIDA	BEYOND FLORIDA
WHO IT REACHES	Buyers already in Florida who ride, and Orlando buyers who want land within half an hour of the city	Buyers in the northern horse country of the United States and Canada, who winter in Florida
WHERE IT RUNS	Florida, statewide, with the weight on Central Florida, Ocala and Wellington	Four cities in the United States and one in Canada
HOW BUYERS ARE FOUND	By where they are, and by whether they are actively looking for a home with acreage	By where they are, and by whether they are looking at homes away from where they live
SHARE OF DELIVERY	Forty-two of every hundred times your home is shown	Fifty-eight, divided across the five cities
WHERE IT LEADS	A dedicated page for your home	A dedicated page for your home
HOW OFTEN SHOWN	To be confirmed	To be confirmed

The right buyers live in the *right places*.

A working barn changes who the buyer is. Most of them are already in Florida, which is why the largest share of the campaign stays here — leaning on Central Florida, on Ocala, and on Wellington, where the winter riding season fills every stable in Palm Beach County. Beyond Florida we go to the five northern places that send those same families south.

MARKET	WHY IT WAS CHOSEN	SHARE
Florida	Statewide, weighted to Central Florida, Ocala and Wellington — where riders already live	42%
New York	The largest single source of Florida buyers, and of the families who show in Wellington each winter	15%
Washington	The Virginia and Maryland hunt country, whose owners keep a southern base	13%
Chicago	Long-standing Midwestern buyers of Central Florida land, with hard winters behind them	11%
Boston	New England riding families, already accustomed to wintering their horses in Florida	10%
Toronto	Ontario horse country and the steadiest Canadian buyers of Florida property	9%

Share is how the showings are divided between the markets.

The work, as buyers *will* see it.

Six advertisements, in six shapes, built for the computer, the tablet and the telephone. Each moves slowly across five photographs, three seconds to a picture over fifteen seconds, then closes on the address and an invitation to arrange a viewing. The price is not shown, as is our practice.

The month ahead, *in order.*

The markets, the audiences and the weight between them are decided; the reasoning is on the pages before this one. What follows is the sequence. The steps in black are settled and ours to run. The two in grey are figures that do not exist yet, left blank rather than estimated.

O1	THE ADVERTISEMENTS	Six are built, from the photography of the residence, the barn, the pastures and the dock at dusk.
O2	YOUR APPROVAL	You watch all six and approve them before a single screen carries your home. That approval is yours.
O3	21 SEPTEMBER 2026	Both campaigns open on the same day — Florida statewide, and the five cities beyond it.
O4	THIRTY DAYS	Continuous to 21 October 2026, at a measured weight, with no quiet weeks and no market left dark.
O5	IMPRESSIONS	To be confirmed. We will give you a figure once the campaign is under way and it is a number we can be held to.
O6	RESPONSE	Nothing measured. The campaign has not begun, so there is nothing here to read yet.
O7	AFTER 21 OCTOBER	A full report: which markets saw your home, how often, and how buyers responded to it.
