

A house built with intent,
and a garden that *settles*
the argument.

The space is here. *So is the fast train.*

Your home will not be advertised everywhere. It will be advertised where it matters. A house of this kind — five bedrooms and 2,793 sq ft over two floors, with three reception rooms, a dedicated office, a double garage and a garden that is the best thing about it — is bought by a family who want more room than Cambridge or London will give them for the money. The first audience is already in Cambridgeshire and moving up. The second is coming out from London and the towns on the same railway line, where a home of this size is simply not available at this price. The campaign is built in two parts so each is approached on its own terms.

TWO AUDIENCES

One campaign across Cambridgeshire, one for families coming out from London.

CHOSEN MARKETS

Five markets, all of them on the line between Peterborough and King's Cross.

TAILORED CREATIVE

Six advertisements built for this house, in six shapes, for every screen.

REPORTED TO YOU

A full account of where your home appeared and how buyers responded.

ADVERTISEMENTS

30

DAYS

Over thirty days your home will be advertised in five markets, most of the effort inside Cambridgeshire. Six advertisements have been built for it, in six shapes, each a slow pass over the elevation, the open-plan kitchen, the galleried landing and the garden behind them, closing on the address and an invitation to arrange a viewing.

ONE FIGURE TO FOLLOW

The plan set out here is settled. The one figure still to come is the number of impressions — the number of times your home is put in front of someone — which is confirmed once the campaign is under way.

IMPRESSIONS

To be confirmed

In Cambridgeshire, and coming up the line.

14 OTTERS WAY · £1,050,000 · 5 BED · 3 BATH · 2,793 SQ FT

The two run side by side, over the same thirty days, as a single effort. The larger one reaches families already living in and around Cambridgeshire; the smaller reaches those coming out from London. They do not overlap, so the same buyer is not shown your home twice.

	AROUND CAMBRIDGESHIRE	OUT FROM LONDON
WHO IT REACHES	Families already in the county who want a larger, newer house without leaving it	Households leaving London and the commuter towns for space they cannot buy there
WHERE IT RUNS	Peterborough and its villages, Huntingdon, St Neots and Cambridge	London, and the commuter towns of Stevenage, Hitchin and Welwyn
HOW BUYERS ARE FOUND	By where they are, and by whether they are actively looking for a larger home	By where they are, and by whether they are looking at homes outside London
WHAT IS SAID FIRST	The size of the house and the garden behind it	The same house, and under an hour into King's Cross
SHARE OF DELIVERY	The greater part	The lesser part
WHERE IT LEADS	A dedicated page for your home	A dedicated page for your home
HOW OFTEN SHOWN	To be confirmed	To be confirmed

Every buyer for this house is on *one railway line*.

The five markets are not scattered. They sit in a single line running south from Peterborough to King's Cross, and that line is the argument for this house. The greater part of the campaign stays close to home — Peterborough and its villages, then Huntingdon and St Neots, then Cambridge and South Cambridgeshire. A family already in the county knows what £1,050,000 buys here, and knows that 2,793 sq ft with three receptions and a garden of this size is not the usual offer. The remaining effort goes to London and to the commuter towns on the same line, where the same money buys a fraction of the space. A national footprint would be the wrong shape for this home, and it is not used.

● CHOSEN MARKET

The markets sit too close together to label on the map. They are listed alongside, north to south.

WHY THIS SHAPE

Peterborough runs direct to London King's Cross, and the fast services do it in under an hour. That single fact is what lets a buyer who works in London consider a garden this size. Every market chosen sits on that line, so the argument holds wherever your home is seen.

The work, as buyers *will* see it.

Six advertisements, in six shapes, built for the computer, the tablet and the telephone. Each moves slowly across photographs of the house over fifteen seconds, then closes on the address and an invitation to arrange a viewing. The price is not shown, as is our practice.
